QUICK REFERENCE

1. If you miss the scheduled bulk pickup, you may contact Republic Services at (210) 304-2700 to schedule a pickup for a nominal fee. Items must be placed **at the curb** in front of your residence only (not on street, alley, or side of residence).
2. Keep **all bulk items separated two feet** from stumps/logs and especially scrap iron, wire, metal, etc. to avoid equipment damage. Do not place bulk items near fences, mail boxes, water meters, telephone pedestals, fire hydrants, under trees or other low hanging lines as the waste truck cannot safely pick up items there.
3. **Remove gasoline/oil/propane/butane** from items being discarded, (i.e. lawn mowers, small engines, barbecue pits, gas cans, etc).
